

Education Delegation to United Kingdom (UK)

The UK Trade & Investment team of the British Trade Office in Pune, which is a part of the British Deputy High Commission in Mumbai, has organized an Education delegation to UK for collaboration with UK Universities. The mission commences on 17th October 2011 and would be for next 5 days. The programme would include seminars and one to one meetings with UK Universities, visits to various UK university campuses and possibly a visit to a research centre. There would be representatives of UK Universities from across the country and the seminars would be in London and York.

Dr.G.M.Dhole (Professor in Electrical Engineering and Coordinator (Projects)Shri Gajanan Invention & Advanced Research Center),Dr.S.M.Deshmukh(Professor in Electronics & Telecomm. Engineering and Dean(HR)) and Mr.G.S.Gawande (Associate Professor in Electronics & Telecomm.Engineering and Coordinator(Administration), Shri Gajanan Invention & Advanced Research Center) from Shri Sant Gajanan Maharaj College of Engineering Shegaon are deputed as members of this delegation.

The purpose of the visit is to explore the opportunities of collaboration in the following areas:

- 1) Research collaboration at various levels like Undergraduate, Postgraduate, Doctoral, Post doctoral, and individual Faculty Research area.
- 2) Commercial Research & Development collaboration in the areas like VLSI & Embedded Systems Design, Solar Systems, Power Quality and Energy Management, Low cost agricultural Automation.
- 3) Skill Development in the areas like precision Engineering, CAD/CAM, Computational Fluid Dynamics, MATLAB/PSCAD, Xilinx, SMD Devices, SAP-ERP.
