

# Heartily Congratulations to the Winners of I2I Project Competition

Heartily congratulations to Swapnil Karwande, Sushank Tidke, Vishakha Netanrao, Ankita Gaikwad and Shivani Pawar for winning 1<sup>st</sup> prize for the project “Biodynamic Agriculture” and Prachi Randhe, Raksha Ganagan, Deepali Kharat, Ajinkya Bawaskar and Sahil Analdewar for winning 2<sup>nd</sup> prize for the project “Let Us Hurt the Dirt” in I2I project competition organized by BHAU Institute at College of Engineering, Pune on 6<sup>th</sup> & 7<sup>th</sup> April 2017.

Heartily congratulations to all members of I2I for winning “Best Philanthropy Award” for our college.

Ignited Innovators of India (I2I) is a movement organized by the BHAU institute of Innovation, Entrepreneurship and Leadership [BIEL] at College of Engineering, Pune. Every year I2I organizes project competition at College of Engineering, Pune and calls project proposals in the areas of **3H (Health, Humanity, and Hunger), Education, Agriculture, Environment, Technology and Others** from various Engineering colleges in Maharashtra. This year 63 project proposals were send to COEP from our college under the guidance of Prof. R. S. Kankale after scrutiny and elimination round17 projects of our institute were selected in top 50 projects of I2I project competition from Maharashtra. All participating students got I2I T-shirts and also they got funds for carrying out there projects as per the project budget.
